## WITH OUR CORRESPONDENTS

Week's happenings--News Important or Otherwise as Reported By Our Corps of Correspondents.

### GRADYVILLE.

J. A. Diddle was in Greensburg Friday and Saturday.

W. C. Hindman, one of Milltown's business men was with us last Thursday.

John Neat, the popular dry goods man, of Cincinnati, was with our merchants last Thursday.

Mr. L. C. Hindman is having a nice lot of stave timber prepared for the market.

Charles Herriford, of Bliss, was with our stock men the first of the week.

Mr. W. L. Grady informed your reporter that he had received another order from Texas for a fine Peacock horse.

Messrs. Chatmon Browning and Geo. Adkin's residence will be connected with the outside world by telephone in the near future.

Mr. and Mrs. W. C. Hill spent several days of last week visiting relatives near Edmonton.

Rev. J. P. Scruggs former pastor of the Baptist church, at this place, was calling on his many friends in our town last week.

Mr. and Mrs. Geo. W. Flowers, of Columbia, visited the family of Mr. C. O. Moss, of our city, last Sunday.

Mrs. C. L. Keltner has been confined to her room for several weeks with a complication of diseases.

Mr. Robert O. Keltner, who spent several days by the bedside of his son down in Oklahoma, returned to his home last week and reported that his son is in a critical condition.

Our old friend, Thomas Yates, of Edmonton, spent a few days of last week visiting his daughter, Mrs. W. C. Hill. Mr. Yates is looking well and gets around like a sixteen-year-old boy.

Mr. George Hurt, of Craycraft, stopped over one night at the Wilmore house, on his return from moving Cager Jones and family from Columbia to this community. Mr. Hurt had the pleasure of meeting with his old

war friends, J. M. Wilson and Geo. W. Flowers. It certainly was amusing to see these old soldiers shake hands and talk of by gone days.

We look for a great decline in the near future in the sale of milk and butter on this market. Dr. S. A. Taylor bought last week from Rev. G. Y. Wilson, one Jersey heifer, price not known, but the average man like your reporter, would guess the height of this young cow to be 36 inches, and her weight 250 pounds. Sure it is hard to tell the outcome in a Jersey cow.

Mr. J. A. Diddle, one of the largest land owners in this part of the county, has closed a deal with R. L. Caldwell, in which he bought his farm, for \$3,250. This farm is known as the J. D. Walker farm, and it rounds Mr. Diddle up with a large body of land connected, and one of the best farms in this section. Mr. Diddle will move to this property immediately for the convenience of his mill. Mr. Caldwell and family will move to the property occupied by Mr. Diddle. We are certainly glad that Mr. Caldwell has decided to remain in Kentucky. May this deal prove beneficial to both parties.

Mr. and Mrs. Squire Kemp were the guest of Rev. G. Y. Wilson and wife last Thursday.

Miss Irene Yates, one of our accomplished young ladies, will leave on an extended visit to the Lone Star State about the 15th.

Mr. Logon Sherrill and family left here last Monday for Quanah, Texas with a view of making it their future home.

Mr. Jo Yates and family, some of our best citizens, are making their arrangements to leave this place for the state of Texas in a few days with the intention of making it their future home.

Mr. Frank Dohoney and wife, of Milltown, visited the family of R. L. Caldwell a few days of last week.

Mr. and Mrs. C. O. Moss highly entertained Mr. J. J. Hunter and wife and Rev. G. Y. Wilson and wife last Friday, all of our city.

Mr. Lewis Campbell, of Miami,

was in our city the first of the week soliciting tobacco shipments.

Messrs. Romines and Taylor, the tobacco men of Basil, were in our community last week and bought several crops at prices from \$6. to \$6.50 per cwt.

Mr. D. A. Grady, one of our best citizens is offering all of his property for sale, and is fast making arrangements to wind up all his business in this section and will start for Texas in the near future with his family to make it their future home. May success attend them.

### Long Live The King!

is the popular cry throughout European countries; while in America, the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Ryder Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it's the only sure cure. Guaranteed by T. E. Paul, Druggist. 50c and \$1.00 Trial bottle free.

### INROAD.

Mrs. J. N. Petty visited the home of Mrs. J. M. Turner last Thursday.

Several of the young folks of this place attended the singing at Union Chapel last Sunday.

Mr. Alexander Morgan, of Whetstone, are visiting relatives here this week.

The social last Saturday night given by J. N. Petty in honor of J. V. Dudley, was largely attended.

It is understood that C. E. Willis will commence a winter school at Republican soon. He will have about 30 pupils enrolled.

Messrs. Tilford Pettey, Gaither Hadley and Willie Ross, of this place, and Ed Dudley, of Glensfork went turkey hunting last Wednesday but were quite unfortunate getting their turkeys home, giving out they sent for J. N. Petty's team.

### The Charming Woman

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed at T. E. Paul, Druggist 50c.
